

Smart Buff Super

Made for Buffaloes giving above 15 litres of milk

Presenting **Smart Buff Super Feed**. Our feed provides a meticulously formulated nutritional solution for high-yielding lactating buffaloes, supporting milk production above **15 liters or more** per day. Our feed is rich in **proteins, carbohydrates, fats, vitamins, and minerals** to meet the nutritional needs of buffaloes. Fortified with **probiotics and prebiotics**, it enhances digestion and feed intake. Enhanced with **essential amino acids**, it promotes growth and development. Smart Buff reduces stress levels, boosting overall health and milk yield for peak performance and well-being.
